

ALL ABOARD FOR CINCINNATI

The Contest is Over and Everyone is Satisfied
Even the Losers

WILL LEAVE MONDAY MORNING

The Bee's, Kings and Watt's contests closed Thursday night at 10:00 and the following candidates are declared winners by the officials count. In the Bee's contest Miss Mona Faulk of St. Charles, was first, winning the trip and the handsome Silver Service Set. Miss Bertha Stanley, that was, when she entered the contest, but now Mrs. J. Bacon Ashby, of Mortons Gap, won second place and the trip. Miss Sue Wade Davis, a charming young lady of this city, came out third and came near tying Mrs. Ashby for second, Mrs. Ed Hamer, of this city won fourth place, Herman Boyd and Bill Oldham won fifth and sixth respectively. This will be the most extensive and least expensive trip the Bee has ever given its contestants and it is a trip that anyone should be delighted to take. Miss Dorothy Corbitt had the honor of winning the Watts contest, and Mrs. Lowry Todd won by several lengths in the King contest. These eight winners and their friends making a party of forty or more will leave in a special coach on Train 92 Monday morning for Evansville and will there take the steamer Tarricon for Cincinnati, the Queen City, for a two days sight seeing and pleasure. This trip including hotel accommodations in Cincinnati will cost only \$20.00. We have made arrangements with the steamboat people to hold reservations open until Sunday night at 6 o'clock, so if anyone desiring to take the trip with the winners will notify this office by that hour they will be taken care of for the trip.

Christian Church Notes

Rev. J. T. Hawkins, father of J. S. Hawkins of the Christian Church here, will arrive this week from his home in Elkton to spend a few days with his son. He will occupy the pulpit on Sunday morning and evening and all are invited to these services.

At the conference of the officers and teachers, which was entertained by Mr. and Mrs. H. W. Rogers on Monday evening, a picnic was planned to be given to the members of the Sunday School and their families some time next month. Other business was transacted and a very profitable evening was spent. A social hour followed the business session, when ice cream and cake was served. Miss Susan Marie Orutfield gave several selections furnishing her own accompaniment.

The County Sunday School Convention will meet at Nortonville on July 5th. Earlinton should be well represented. A number of interesting speakers will take part on the program.

America is a good country. Let's tie to it.

THOSE THAT HAVE—GET BY A.T. WESTON

OUR DAVE

Delivers Splendid Address
in House of Representatives

Representative D. H. Kinchloe of Madisonville, delivered a masterly oration in the House of Representatives upon Jefferson Davis and the Southern Confederacy upon the one hundred and eighth birthday of the immortal President of the Confederacy.

Mr. Kinchloe, beginning with statistical and historical data, warmed up through gradations of elquence into a fervid and beautiful climax that brought down the House. His tributes to Lincoln, the President of the United States, and Davis, President of the Confederacy, synchronously, both Kentuckians, were equally effective. The young Kentuckian, resorant of voice, graceful and expressive in gestures, with a sensitive, intellectual face, not unsuggestive of the old world countenances of Patrie Henry, and Henry Clay, showed himself the loyal son of a "Johnny Reb" in his enthusiastic utterances. His address ended with the quoting of the beautiful patriotic inscription upon the Confederate monument at Arlington. Jefferson Davis was born in Mr. Kinchloe's district. (Washington correspondent Sunday's Courier Journal, June, 11, 1916.)

EARLINGTON BOY WEDS

At the St. John's Church in
Evansville Where He
Now Resides

Mr. James Draper, one of Earlinton's young men who has been at Evansville for some time past, and Miss Sadie Walz, of that place, were married at the St. John's Church on Thursday evening, the Rev. Wm. N. Dressel performing the ceremony. Miss Eunice Draper, a sister of the groom and Mr. Louis Walz acted as brides maid and best man. The young couple will make Evansville their home. The Bee with many friends extend their heartiest congratulations.

Speaking of political pot reminds us that it is assuming the dimensions of a hoghead.

The lad who honors his parents may some day have children who will honor him.

WILSON AND MARSHALL

Again Chosen to be the
Standard Bearers of the
Democrat Party.

St. Louis, June 16. President Wilson was renominated by acclamation at 11:52 last night and Vice President Marshall was also nominated by acclamation at 11:55.

The convention then took a recess until 11 o'clock today on account of the Committee on Resolutions not having completed the platform.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on a
Sluggish Liver and You
Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant vegetable liquid which will start your liver just as surely as calomel, but it does make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

BOTH GAMES WON IN LAST INNING M. E. AND W.O.W. VICTORIOUS

Large crowds attended the opening series of the City League Tuesday afternoon at the Athletic Park. The Merchants of Earlinton closed their places of business at 2:30 o'clock thus showing their loyalty to the league and feel that they lost very little business and gained much pleasure in the opening games. These games were very interesting from the start to the finish and made a good showing in behalf of the ability of the players and the management of the respective clubs, as it must be remembered that several of the players participating had not been in the game for several years. The games are to be compared along with those being played in the Kitty League. The crowd found more interest and pleasure in these games because being personally interested in each of the players. The first game on the city schedule will be played Tuesday afternoon between the Woodman and Methodist teams.

First Game

The first game opened in full swing with the K. of P. team at bat and the Woodman in the field. The game was a pitchers battle. No scores were made in the first inning. Both teams were playing fast ball. The K. of P. marked down one score in the second, one in the third and two in the fourth. It looked as though the Woodman were doomed for a shutout but they found King in the sixth and won the game in the last when they got three hits in succession making two more runs and tying the score. With two men out Ben Foley landed on one of King's deliveries and sent it to the left garden fence for a home run thus ending the game 5 to 4. The score by innings:

R. H. E.
W.O.W. 000 002 3—5 4 3
K. of P. 011 200 0—4 9 5
Batteries—Foley, Mitchell and Peyton; King and Foster.

Second Game

The Methodist team was victorious over the Christian team by a score of 6 to 5. The M. E. team ran in one in the first and one in the second. The Christians tied them in the second and took the lead in the fourth, when Watts the M. E. pill king, allowed two men to reach the first sack and two hits and scoring three runs. The Christians kept the lead until the sixth inning when the M. E. tied the score and winning the game in seventh with one run.

The score by innings:
R. H. E.
Christian 020 300 0—5 4 3
Methodist 110 002 1—6 5 3

HEALTH AFFECTS MAN'S VIEWPOINT

Half Sick Persons See Life
From Viewpoint of
Pessimist

The condition of a man's health
always affects to a marked extent his
mental attitude towards life in general.

This fact is so universally admitted
that columns in the newspapers are
devoted to "Dyspepsia Philosophy,"
and of all ailments it is safe to assert
that stomach diseases work more
havoc with human machinery than
all other disorders combined.

Of all the ills, chronic dyspepsia is
probably the most common. Its
causes, characterizations and results
are many. Skilled specialists have
been unable to cope with this almost
universal malady. However, old
Mother Nature, who, after all, is the
ideal physician, in combination with
skill in chemistry, has compounded
in her inexhaustible laboratory a
marvelous remedy for this trouble.

It would be almost impossible to
describe the sufferings that this dread
disease has brought to mankind. The
most common symptoms are pains in
the stomach, a dull, heavy, bloated
feeling, loss of appetite, headaches,
nausea, dizziness, coated tongue, fit-
ful sleep, loss of energy, nervousness
and melancholia.

Tanlac, the great reconstructive
tonic, appetizer and builder of worn
out tissues, compounded after years
of study, was designed to check this
distressing condition. Its purposes
are to restore a healthy, normal ap-
petite, good, sound, restful sleep, and
nervousness, revive lost energy—in
short, to restore the stomach to the
habit of doing a full day's work and
doing it efficiently.

This Master Medicine is composed
entirely of roots, herbs, flowers and
barks gathered from the remote cor-
ners of the earth and is compounded
today under the personal direction of
Joseph Von Trimbach, the chemist
who created the Tanlac formula.

Thousands of men and women who
have found relief from their suffer-
ings through the Tanlac treatment
are daily acknowledging their grati-
tude for this wonderful reconstructive
tonic.

Tanlac may be obtained in the fol-
lowing nearby towns: Earlington,

The Misses Hill gave a Mine party
for The Misses Rose and Barker last
week. After an interesting trip in
Arnold Mine the party returned to
the Hill home where a dainty lunch
was served.

Mesdames Lunsford and Barnhill
and Miss Tressa Graham were hosts
at a bacon fry Monday evening at
Anderson's Lake. The honor guest
was Mrs. Fred Bailey, of Louisville.
Mrs. Ed Rule and son Curtis and the
Misses Fawcett were the Earlington
people invited.

Dillman Atkinson Rash gave an
informal little party Thursday morn-
ing on the lawn of the Atkinson
home on Main street. Lawrence
Daves was the out-of-town guest.

Mrs. F. A. Ecke who is well known
here as Miss Marjory Whiffeld, of
Marshfield, Wis., will arrive next
week to spend sometime with rela-
tives. She will be accompanied by
Miss Florence Gothe, a niece of Mr.
Ecke's who is a promising young
artist.

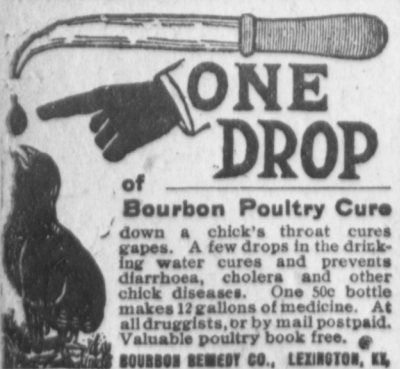

At their attractive country home
near Mortons, Mr. and Mrs. Cleve
Medlock entertained a large number
of friends in honor of Mr. Medlock,
his daughter and three sons of Okla-
homa. The Mortons band furnished
music for the occasion. Besides the
many relatives who live near by Mr.
and Mrs. H. L. Browning and little
daughter Helen, Mr. and Mrs. Stan-
ley and daughter Iva, Mrs. Oswald
Kington and Miss Ruth McCraw
were present. Strawberry cream and
cake was served on the lawn.

Diarrhoea Quickly Cured

About two years ago I had a severe
attack of diarrhoea which lasted for
over a week," writes W. C. Jones,
Buford, N. D. "I became so weak
that I could not stand upright. A
druggist recommended Chamber-
lain's Colic, Cholera and Diarrhoea
Remedy. The first dose relieved
me and within two days I was as
well as ever." Obtainable every-
where.

Madisonville Messenger Makes First Appearance

The "Madisonville Messenger" a
newsy, seven column, semi weekly,
published by Will T. Mills, Clarence
and Sloan Givins and Alex Bailey of
Madisonville, made its first appear-
ance today. It is a clean, nice look-
ing sheet and chuck full of local
and personal news. There are 226 per-
sonals besides a number of local ar-
ticles in the first issue and over two
columns of society items. The pa-
per also contains 28 display ads and
a number of readers. This is doing
fine for a starter and if the Messen-
ger keeps up this kind of business its
a winner. Here's hoping infant en-
terprise will not meet an untimely
end from lack of financial nourish-
ment but may grow strong and flour-
ish in a ripe old age.

If trains wreck automobiles, what Rex McEuen?

But we repeat; that in no game, more especially in one between two local Churches, ought the true umpire be maltreated, or the shortstop usurp the umpires place.

The Earlington Juniors will play the Princeton Juniors Monday at the athletic park. As the the Juniors are in good shape and have been practicing hard for some time, a good close game will be played. The Juniors have been at some expense in securing the game, and a good crowd should patronize them and enjoy a snappy contest between the "kids."

The Methodist Juniors will meet the Christian Juniors Wednesday in an interesting ball game. They have been making arrangements for the game for sometime and preparing for it. No doubt this will be a very in-

teresting game as the Juniors always play as good ball as the older teams and have been putting up some good games this season, with the surrounding towns. It will be a very interesting game and a good one.

The Boys Club of Earlington and the St. Barnard clerks will cross bats tomorrow afternoon at the athletic park. A great deal of interest has been taken in the coming game and has been looked forward to for some time. Both teams are very evenly matched and a tight game is assured.

The club team figures strongly with the "dope" all their way, while the St. Barnard holds to the fact that they have charge of the "dope" bucket. It will be interesting to see the "dope" all spilled and your support will be highly appreciated.

NOTICE

The \$20 for the Cincinnati-Louisville River Trip pays your railroad and boat fare, meals and berth while on the boat and hotel bill during the two days stop in Cincinnati. There seems to be some misunderstanding regarding what the \$20 pays, hence this explanation. The expense of visiting the places of interest in Cincinnati, such as the Zoo, Art Museum, Rockwood Pottery, Sterling Cut Glass Works, Coney Island and other points of interest, including transportation to and from these places, will be \$1.50 each.

Mollycoddle Medicines

To please your taste medicines have been masked by sweets and good tasting coatings until their efficacy is weakened—until their value is almost nothing. You take a bottle of this pleasant-to-take kind, a box of that tasteless kind—and get no actual results. You feel worse, look worse and wonder why medicines don't do any good.

Start the Bile

Bile is poison if it gets into the system. As long as it stays in its place it only poisons the germs that get into the intestines, but when the liver dams up and clogs—then the bile escapes into the system. It makes you stupid—tired—miserable. And the only remedy is to get the liver working. With the liver normal, the bile goes back through the bile duct into the duodenum, there to kill disease germs in the food and to lubricate the intestines. This means a normal elimination that soon frees your tissue of the poisonous bile, clears your eyes and skin and makes you feel like a real live human being again.

Start the Bile

Carlstedt's Liver Powder is an old-fashioned liver powder—in bottles—yet is a powder. You put a spoonful in a glass of water—then drink it. You will frown a bit, but tomorrow you will smile a lot. In a day or two you will see what it means to take the good old-fashion bile starting medicine—medicine free of "dopes"—"calomel" and "minerals."

We will wager the price of a bottle that you will stick to Carlstedt's once you try it. If you have no family, get a 25c. bottle—if others look to you for health, get a dollar bottle. In either case, you can have your money back if Carlstedt's Liver Powder doesn't start the Bile.

Goethals-King of Panama

General Goethals is back in the United States, and is ready to be relieved of every responsibility in connection with the Panama Canal. He declares that the course of the 800,000 tons of soft rock that has been tumbling into Gaillard Cut, has been deflected to the north of Gold Hill into a small basin, so that it can never give any further trouble to navigation. And from this we are to believe that the Panama Canal is open for all time. Goethals has been king of the hearts of men at Panama and unless he does some foolish stunt and a Admiral Dewey, he will have a niche in the appreciation and admiration of all Americans.
